

NATIONAL MPS SOCIETY

Maritime Gala

Saturday, May 13, 2023
Corinthian Yacht Club Tiburon, CA

Dear Donor,

The National MPS Society will be hosting the **Maritime Gala on May 13, 2023**, at the historic Corinthian Yacht Club in Tiburon, California. Proceeds from this event will benefit critical research and family support programs.

MPS and ML are devastating rare genetic diseases. We provide direct support to families at the time of diagnosis, and champion ground-breaking research. Thousands of children are affected in this country. And, while we have some therapies for half of our supported diseases, more work is to be done to discover therapies for those without. These are not cures, and we are on a mission for a cure. **We have a lot more work to do to achieve our mission and we need your help!**

The Maritime Gala will include a themed musical adventure, exciting nautical experiences, and special guests from the community. Mark your calendars. You don't want to miss the coolest California event this Spring!

You can play an important role by donating an item(s) to our live and silent auction. We are asking our community to help build a successful auction.

Please help us by donating today. Your gift can help improve the lives of those affected by MPS and ML. **Auction items will include luxury items, rare extraordinary experiences, baskets, art, and destination packages.** All donations are tax deductible.
