

The background of the entire page is a deep purple. In the top left corner, there is a white logo for the American Case Management Association (ACMA), consisting of the letters 'acma' in a stylized, rounded font. To the right of the logo is a network diagram with several circular nodes connected by thin white lines. Some nodes contain white icons of people. Faint, larger-scale versions of these network diagrams are visible in the background, particularly on the right side.
