

IDeA Post Award Management

Presented by Samantha Farrell, Christy Leake + 4 additional Grant Management Specialists

Description: An hour long presentation will be given on IDeA Post Award Management, followed by an hour to ask questions one-on-one with NIGMS Grants Management Staff.

The presentation will include the topics such as:

- IDeA Policy Reminders
- Questionable Costs
- Annual Performance Reporting Requirements (RPPR non-competing progress reports and SIRS)
- Prior approval actions including carryovers, changes of scope, adding human and/or vertebrate animals, key personnel changes, and the addition of research and pilot projects
- NIH Updates and Policy Reminders

Session theme or topic: NIH Resources, Grants Management

Session format (Lecture, facilitated discussion, panel discussion, Q&A): Lecture, Q&A

3 anticipated participant learning outcomes:

Refresh your knowledge of IDeA post award management

Hear about new and upcoming NIH policy updates

Talk one-on-one with your IDeA award Grants Management Specialist

Intended audience: INBRE, COBRE, CTR, PI's, Administrators
