Name, title, Institution/bio for each facilitator/presenter:

Alison Gammie
Director TWD@NIGMS
NIGMS/NIH

Alison Gammie, Ph.D., is the Director of the National Institute of General Medical Sciences (NIGMS) Division of Training, Workforce Development, and Diversity (TWD). TWD is the focal point for NIGMS programs aimed at developing a strong and diverse biomedical research workforce. Dr. Gammie received a B.A. from Reed College in Biology and a Ph.D. from the Oregon Health & Sciences University. She was initially a Jane Coffin Childs Postdoctoral Fellow and eventually a Senior Lecturer at Princeton University. While at Princeton, in addition to teaching, mentoring and running a research laboratory, she served as an academic advisor, an Associate Member at the Cancer Institute of New Jersey, and the Director of Diversity Programs & Graduate Recruiting. Honors include Princeton's President's Award for Distinguished Teaching, the Graduate Mentoring Award and the American Society for Microbiology Hinton Award for advancing the research careers of under-represented minorities.
