

We're building something big

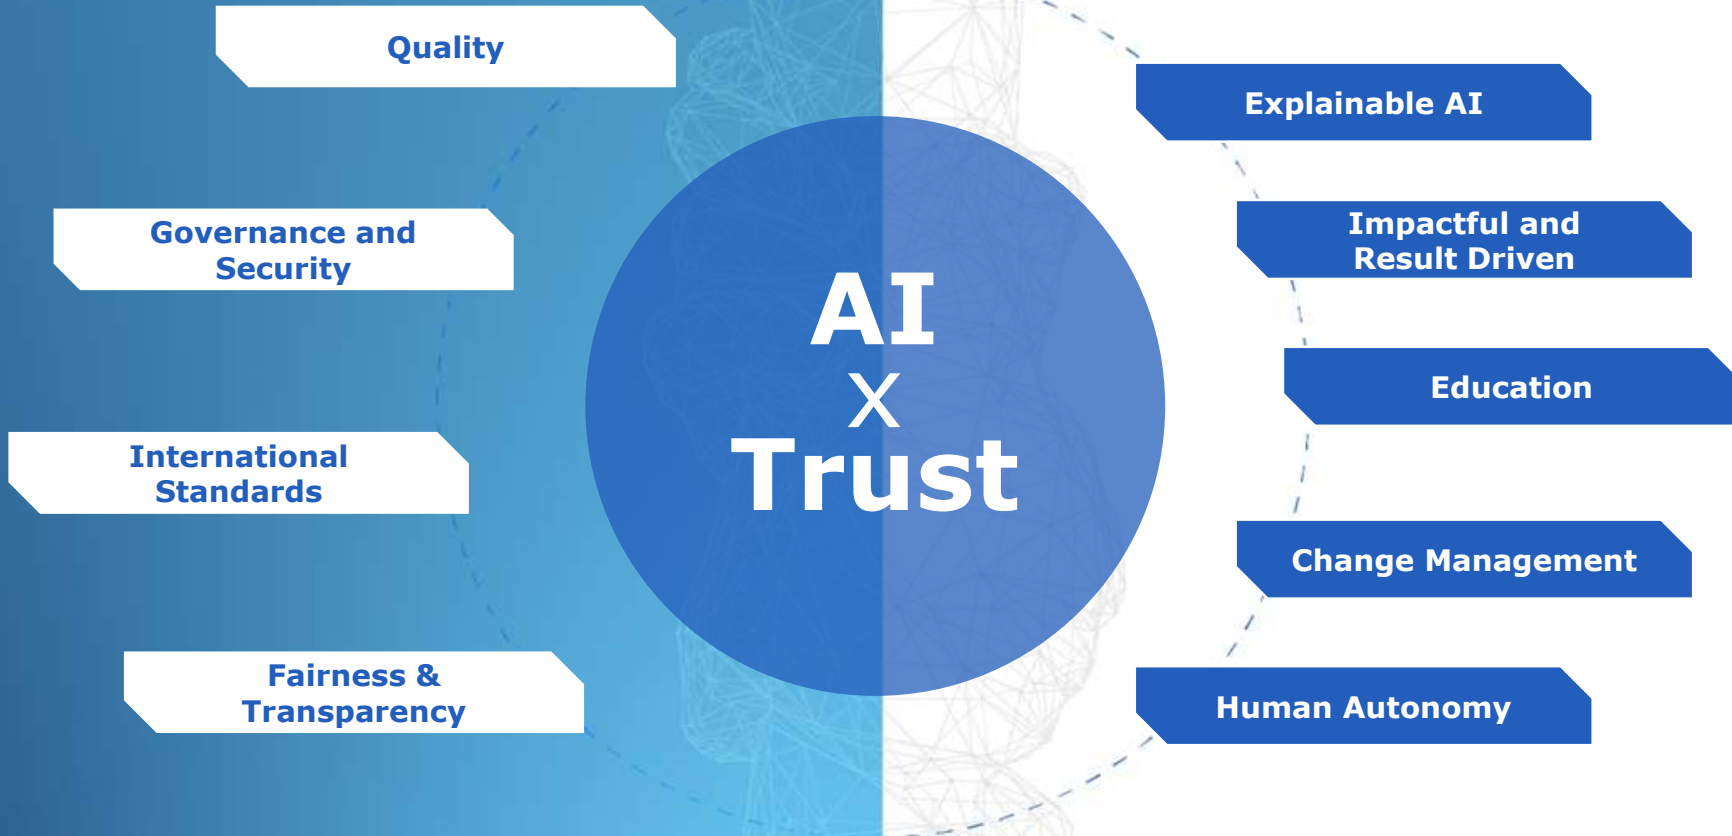

WCO Technology Conference

Trusting New Technologies:
Artificial intelligence
Wednesday Oct 19, 2022

Mr. Jad RIZK

SOLUTION

USER

AI x Border Management

BENEFITS

- Objective data driven decisions
- Increased efficiency
- Increased transparency and Audit capabilities
- Simplification of Trade

RISKS

- Data quality
- People
- Processes
- Need for continuous improvement

GENERAL MITIGATIONS

- Simple and Explainable
- Human Oversight
- Fallback plan

We're building something big
