# New Frontiers: Transforming lives and industries

Tuesday, 1 December 2020

## Agenda - Barclays New Frontiers Transforming Lives and Industries

12.30pm - 1.15pm

### Leveraging Technology to Bounce Back

The business world has seen a digital acceleration since March 2020 and it will not stop as consumer needs are evolving – it is more evident than ever that technology is key to allow any company to continue serving their customers. In this session you will hear from three entrepreneurs who have been key enablers in supporting communities to recover from the impact of COVID-19. What does it really take from large, and small incumbents, to adapt to our new reality? And how do we identify new opportunities and deliver products and services relevant to end consumers?

*Katrin Herrling, CEO & Founder, Funding Xchange*

*Sina Yamani, Founder, Yoello*

*Markus Urban, Founder, Eviday*

*Moderator: Mariquit Corcoran, Managing Director, Head of Innovation, Barclays*

### Living in a Post Covid World...

Effects, impact and changes to commercial and residential Real Estate.

Listen to our panellist of real estate experts as they discuss the challenge of decarbonising the UK building stock (residential and commercial), adapting to structural change in a digital age and looking into a new paradigm for the way we, work, play, travel.

*Melanie Leach, CEO, British Property Federation*

*Mark Bourgeois, UK MD, Hammerson plc*

*Rebecca Worthington, NED, British Land Plc*

*Helen Gordon, CEO, Grainger Plc*

*Moderator: Brendan Jarvis, Vice Chairman, Banking, EME, Barclays*

1.15pm - 2.00pm

Lunchtime Fireside chat: Greening the Financial System: The UK's role in achieving a new sustainable reality  
**Sasha Wiggins**, Group Head of Public Policy and Corporate Responsibility, **Barclays**  
**Dr. Rhian-Mari Thomas OBE**, CEO, **Green Finance Institute**

2.00pm - 2.45pm

### The First and Last Mile

This session will define micromobility - what is it, where did it come from and why does it matter – before delving into how the business models of this might emerge, the impact of the emergence of micromobility on infrastructure and how cities function, what micromobility means for different industries, and the impact of covid-19 on city mobility.

*Horace Dediu, Co-founder, Micromobility Industries*

*Moderator: Nadine Timmer, Vice President, Barclays Ventures*

### Building a Sustainable Start-up and Growth Economy

Hear our panellists discuss the challenges and opportunities for the Government, Public and Private sectors in collaborating to build a sustainable Start-up and Growth economy. Across both the Tech and Green sectors, the panel will explore approaches to addressing the current funding gap and other initiatives and models that will help develop this critical element of the economy.

*Ed Cook, Global Head of Liquid Capital Markets & Corporate Solutions, Blackrock*

*Irene Graham, CEO, Scale Up Institute*

*John Elkington, Co-Founder & Chief Pollinator, Volans*

*Sir Ian Cheshire, Chairman, Barclays UK*

*Moderator: James Ankers, CIO Barclays Ventures, Barclays*

2.45pm - 3.25pm

Closing Keynote: The role of business to build back better  
**Lord Victor Adebawale**, Chair, **Social Enterprise UK**

Closing Remarks: **Paul Compton**, Global Head of Banking & Co-President, **Barclays**

*All times GMT*
