#### JEBEL JAIS FLIGHT

Ras Al Khaimah's Jebel Jais – the highest mountain in the UAE, is home to the world's longest zip line.....a bucket list attraction for the UAE and the world.

The zip line propels the UAE's most northern emirate into the major leagues of global adventure tourism and cements Jebel Jais as the region's leading active adventure tourism destination.

Thrill-seekers and adrenaline junkies will travel at speeds of up to 120kph to 150kph at a height of 1,680 metres above sea level on top of Jebel Jais mountain.

You will be fitted with a special harness for the adventure, with the longest flight itself taking approximately two to three minutes. Once completed, you will finish the bucket list flight on a suspended landing platform where you will be transferred to a second line to complete your journey back to the ground.

**Capacity 25 pax** 

#### **JAIS SKY TOUR**

Adventure meets serenity at the Jebel Jais Zipline Tour!

Fly over the awe-inspiring cliffs and canyons of Jebel Jais, as you zip from platform to platform in this unique experience. Covering a total distance of 5 KM via a series of 7 ziplines, ranging from 337M to just over 1KM, the Jebel Jais Zipline Tour will give you a panoramic, bird's eye view of the towering Hajar mountains. Navigate your way through the sky averaging speeds of 60 KMPH and find yourself at the UAE's highest sky bridge, 1250m above sea level. Pause to take a photograph before you walk across the length of 15m bridge and continue the last part of your zipline journey.

**Capacity 20 pax** 

### JAIS SKY MAZE

Get your adrenaline rushing at a new obstacle maze on the UAE's highest mountain! Find your sense of adventure 10 meters above the ground as you navigate through several obstacles including rope swings, wobbly bridges, swinging loops and so much more! With two levels of endless fun, the Jais Sky Mazee is suitable for adventure seekers of all ages

**Capacity 10 pax** 

#### JEBEL JAIS HIKING

Complete your adventure quota by hiking through any of the 6 unique trails located at Jebel Jais. At a cumulative distance of 16 KM with varying difficulty levels, the trails will take you through the winding hikes full of diverse mountain ecosystem including stunning vistas and friendly greetings from the mountain goats and donkeys.

The hikes are split between the upper and lower segment of Jebel Jais. Make sure to bring sufficient water for the trails
