The Coalition of Associations is a partnership between PMI and interested function- and industry-focused associations with an objective to make PMI members more knowledgeable and allow PMI to extend its impact while enabling association partners to serve their members better and help them become more effective changemakers. For questions regarding the Coalition of Associations, contact coalitionofassociations@pmi.org.

Currently there is one association where credits are available for its members who attend the Virtual Experience Series 2022: 9 June:
Product Development and Management Association (PDMA) Members - earn Professional Development Hours (PDHs)
Log into PDMA account and submit your Virtual Experience Series registration confirmation email (sent from PMI Events <PMI@compusystems.com>) to verify attendance
· 6 PDH credits per one full day or 1 PDH credit per hour
· For questions regarding submitting PDH hours for NPDP re-certification, please contact certification@pdma.org.

The PMI Talent Triangle® Guide. Each applicable session is aligned to the PMI Talent Triangle® skill areas. The primary skill area designates the available PDUs. Ways of Working (WoW) PDUs apply only to the PMI certification listed, while Power Skills and Business Acumen PDUs apply to all PMI certifications.
