# PMI Exhibits

## PMI Member Resources

Unlock your member benefits by learning more about new partnerships, products, publications, rising leaders and how PMI is becoming a more inclusive organization. Not a member, come in and learn more!

## PMI Learning & Development

Helps you continuously upskill by learning project management basics, collaborative problem solving or how to build apps without coding experience. Explore opportunities from instructor-led (virtual or in-person) to self-paced eLearning courses focused on supporting PMI's Talent Triangle®.

## PMI Certifications

Developed by practitioners for practitioners, our certifications are based on rigorous standards and ongoing research to meet the real-world needs of organizations. With a PMI certification behind your name, you can work in virtually any industry, anywhere in the world, and with any project management methodology.

### Authorized Training Partners

Looking to prepare for a PMI Certification but don't know where to start? Connect with a PMI Authorized Training Partner and connect with a trainer to help you achieve your professional certification goals.

### Career Navigator

Chart your professional journey with Career Navigator, a free tool that generates a custom roadmap based on a comprehensive self-assessment. Start your free assessment today!

### Citizen Developer

The low-code/no-code movement, or citizen development, allows you to quickly turn ideas in to apps—with little to no coding experience required. With PMI's Citizen Developer vendor-agnostic online courses and Handbook for Changemakers learn how to unlock the full potential of citizen development for yourself and transform your organization. Democratize software development, empower your workforce, drive innovation.

### Disciplined Agile

Disciplined Agile is an agnostic tool kit that harnesses a world of agile and lean practices to guide you to the best way of working for your team. Get tailored guidance to better understand your options, choose the best approach for your unique situation, and continuously improve. Organizations that adopt Disciplined Agile go to market sooner, deliver value faster and make their customers happier. Stop in and learn more!

## Military and Veteran PM Upskilling

Let's translate your military experience into a newfound opportunity! Explore a career in project management and take your experience from tactical to practical. Whether you're an actively serving service member transitioning service member, veteran, or family member, we have the tools and resources to upskill your project management or changemaker career!

## Organizational Transformation Series

The Project Management Institute is proud to introduce the five-part Organizational Transformation micro-credential series! The first three modules Foundation, Implementation and Orchestration are now available. This course trains Project Managers on navigating change in transformation projects and introduces the building blocks of successful transformations with a focus on the human-centered approach to enabling change.

## PMBOK Guide and Publications®

PMI publications deliver a world of resources. The PMBOK® Guide empowers practitioners with flexibility in a changing environment. Customize your standards experience with PMIstandards+™, a free member benefit. Search, browse, and save content to help your projects thrive. Have you ever wondered what the best practices are for business analysis or program management? How do schedules, work breakdown structures, and project estimating impact your work? Changemakers, find your next resource here!

## PMI Certifications

Certifications for every stage of your career. In an increasingly projectized world, PMI professional certification ensures that you're ready to meet the demands of projects and employers across the globe. With a PMI certification behind your name, you can work in virtually any industry, anywhere in the world, and with any project management methodology. Come visit our booth to explore our certifications!

## PMI KICKOFF

Project management may be your expertise, but do your team members have the fundamental knowledge to contribute on day one? To deliver a successful project, you need to equip your team with a shared understanding of terminology and processes, so you don't skip a beat. Enter KICKOFF, a free 45-minute digital learning tool that empowers project teams with the core information required to launch successful projects and see them to their finish.

## PMI Learning

PMI provides the tools, resources and learning programs to keep you in the know of today's ever-changing world. From self-paced eLearning, to virtual or in-person training, experience your learning journey with PMI to meet today's biggest challenges. Power up your career your way, and find the right course to fit learning around your life with PMI.

## PMI Membership

Join PMI and connect with a community of almost 700,000 project professionals in more than 185 countries. PMI members access valuable resources and new benefits like: PMI Picks™, the Business Resource Center, PMIstandards+™ and other free tools. PMI Study Hall™ is our first desktop and mobile app to boost your PMP study plan. Approach PMP exam day with more confidence and less stress! Take practice exams with the official user interface and review engaging lessons and case studies. Flashcards, puzzles, and games keep it fun. It's your perfect companion on the road to PMP success.

## ProjectManagement.com

ProjectManagement.com is PMI's online community and is the central location for all of your community, content and collaboration needs. Connect with other practitioners to build your PM expertise to help make you more successful. Login with your PMI credentials to access the world's largest global online community for project professionals. Stop by to discover what our community has to offer. There even may be prizes involved! The only way to find out is to pay us a visit!

## Rising Leaders Engagement

PMI believes in the ability of young change-makers—who we like to call Rising Leaders—to positively impact the world. PMI Academics, PMIEF, and Youth Engagement will prepare young people to better pursue their academic and professional goals by equipping them with the knowledge and skills necessary for 21st century success and help make future leaders now. Stop in and learn more!

## Wicked Problem Solving

Uncertain on how to navigate conflict, complexity, and rapid change? Frustrated in aligning teams with different skills/ agendas? The Wicked Problem Solving course and toolkit was designed to teach you and your teams how to solve problems at any scale by asking the right questions, making ideas visible, and engaging participants with tangible actions. It was born from the best of design thinking and popular project management disciplines including agile and lean. Stop in and learn more!

# Coalition of Associations

The Coalition of Associations is a new pillar at PMI that aims to connect people and organizations to enhance their competencies and maximize change-making abilities. Part of the 4.0 strategy, PMI will partner with organizations of all different industries in an effort to expand our community, enhance our offerings, and co-create new opportunities. Stop in and learn more!

## Center for Creative Leadership

A member of PMI's Coalition of Associations, the Center for Creative Leadership (CCL®) is a top-ranked, global provider of leadership development. By leveraging the power of leadership to drive results that matter most to clients, CCL transforms individual leaders, teams, organizations, and society. Our array of cutting-edge solutions is steeped in extensive research and experience gained from working with hundreds of thousands of leaders at all levels. CCL has 9 offices in Asia-Pacific, Europe-Middle East-Africa, and the Americas.

## CompTIA

A member of PMI's Coalition of Associations, CompTIA is the leading destination in an era when every individual is tech-engaged and every organization is tech-enabled. As an association dedicated to innovation, CompTIA unifies learning and opportunity in a welcoming, forward-thinking place. We are the connected global community of informed advocates, championing modern technology (and the people who advance it) one day, one deployment, one discovery at a time. CompTIA is tech forward.

## HIMSS

A member of PMI's Coalition of Associations, HIMSS is a global advisor, thought leader and member-based society committed to reforming the global health ecosystem through the power of information and technology. As a mission-driven non-profit, HIMSS offers a unique depth and breadth of expertise in health innovation, public policy, workforce development, research and digital health transformation to advise leaders, stakeholders and influencers across the global health ecosystem on best practices.

## Product Development and Management Association

A member of PMI's Coalition of Associations, the Product Development and Management Association (PDMA), is a global community of professional members whose skills, expertise and experience power the most recognized and respected innovative companies in the world.
