COMPLEXE D'HUILES ESSENTIELLES

Olioseptil® Throat & Larynx lozenges

Relieves tickling in the throat, acts on hoarseness and soothes the airways

These lozenges contain plant-based extracts and essential oils, vitamins and minerals selected carefully for their complementary actions.

SAGE (*Salvia officinalis*) extract
ANTISEPTIC and **ANTI-INFLAMMATORY** properties. Helps to **SOOTHE** the throat and acts on hoarseness.

THYME (*Thymus vulgaris*) extract
RELIEVES respiratory tract infections, muscle spasms and coughing. Acts as an expectorant⁽¹⁾

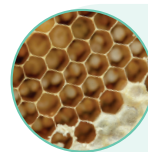

MALLOW (*Malva officinalis*) extract
DISINFECTANT and **EMOLLIENT** properties.
RELIEVES tickling in the throat.

ERYSIMUM (*Erysimum officinale*) extract
Used **AGAINST HOARSENESS** during laryngitis and pharyngitis as well as **EXPECTORANT** in bronchitis.

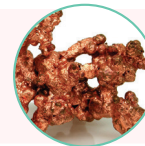

MANUKA HONEY (*Leptospermum scoparium*)
ANTISEPTIC, ANTIBACTERIAL AND ANTI-INFLAMMATORY properties⁽²⁾.

PROPOLIS extract
REDUCES the duration of the symptoms and **IMPROVE** respiratory function in case of inflammation⁽⁴⁾.

COPPER

ANTIMICROBIAL properties⁽⁵⁾.

VITAMIN C
STRENGTHENS natural defenses and reduces the duration and symptoms of colds⁽⁶⁾.
