Olioseptil Sinus

3 ACTIONS:

RELIEVE - CLEAR - DECONGEST

Synergised complex of 7 microemulsified,
100% pure and natural, botanically and
biochemically defined essential oils

ROSEMARY (*Rosmarinus officinalis*) flowering heads

Action on respiratory and ENT (ear, nose and throat) infections. Its main active molecule (rosmarinic acid) has shown an **ANTI-INFLAMMATORY** action⁽¹⁾.

SIBERIAN FIR (*Abies sibirica*) pine

Traditionally used to **CLEAR** the airways and treat bronchial infections and the symptoms of head colds.

NIAOULI (*Melaleuca quinquenervia*) leaves

POTENTIATES the activity of the ravintsara and eucalyptus.

RAVINTSARA (*Cinnamomum camphora*) leaves

RELIEVES irritations of the pharynx and larynx (sore throat) and congestion in the upper airways.

WILD MINT (*Mentha arvensis*) leaves

ANTIBACTERIAL and **CLEANSING** action which soothes irritation in the upper airways. Supports the proper functioning of the respiratory system.

LEMON (*Citrus limonum*) zest

ANTISEPTIC and **DECONGESTING** properties for use in the treatment of respiratory tract infections.

CLOVE (*Eugenia caryophyllus*) bud

ANTIBACTERIAL properties, considered to be a good alternative to antibiotics⁽²⁾
