4. The strength of the team is each individual member. The strength of each member is the team." – Phil Jackson

During Love the Bus Month, we want to take a member to recognize ALL of the transportation professionals who work together to transport Pennsylvania's children safely. Safe student transportation would not be possible without the aides/attendants, mechanics, van drivers, office staff, bus drivers, trainers, dispatchers and all individuals who make up the transportation team.

Tag a friend, co-worker or relative who you would like to thank during Love the Bus Month. #LovetheBus #PALovestheBus #LovetheBusMonth #schoolbus #safeschoolbus

5. Today's school buses are tougher, cleaner and more diligently maintained than ever before. School bus drivers are well-trained and school bus traffic laws are strictly enforced. These are just some of the reasons why they are safer than cars in avoiding crashes and injuries. Thank the school transportation professional in your community during Love the Bus Month! #LovetheBusMonth! #LovetheBus #PALovestheBus #LovetheBusMonth #schoolbus #safeschoolbus
6. As we wrap up Love the Bus Month we want to extend our sincere gratitude one more time to all the professionals in the school transportation industry around the country. Let's continue our celebration of these community heroes next month and the month after that and every month beyond! #LovetheBus #PALovestheBus #LovetheBusMonth #schoolbus #safeschoolbus
