**Wear Your Superhero Gear  
+ Build a Bear!**

Sunday night brings everyone together to mingle and enjoy the company of customers and friends as we complete a service project. Attendees will be encouraged to help us stuff Build-A-Bears to

be donated to a local shelter. We are also encouraging attendees to embrace our superhero theme and come dressed up as your favorite superhero!

**Live Music +  
Veteran Service Project**

Our second Hospitality Suite on Monday night will attract our competitive and musical souls! Play a game of cornhole with friends new and old while listening to live music. Attendees will also have the chance to support our veteran superheroes by completing a service project for Operation Gratitude.
