

# Going Back to the Heart of Cardiology

A Virtual Medscape  
Cardiology/theHeart.org  
Conference for Practicing  
Physicians

**LIVE BROADCAST STARTING SOON.**

In the meantime...

## Best Viewing Practices

---

Ensure PC volume is turned on — speakers or headphones.

If you experience issues before or during the event (buffering video, lost audio, slides not visible, etc), please refresh your browser

[Click Here](#) for the Attendee System Test

[Click Here](#) to view Supported Browsers

[Click Here](#) to view Network Requirements & Technical Specifications

### While you wait... Customize your view!

- Windows are all repositionable and resizable
- Blue widgets at the bottom of your screen toggle the Video, Slides, Q&A, Handouts\*, and Speakers windows

\* You can find the activity-related documents in the Handouts Window.
