

## CURBSIDE CONSULTANTS: CALL FOR CHALLENGING CASES

**SUBMISSION DEADLINE: FRIDAY, JULY 2, 2021**

Do you have a challenging case that you would like our experts to address? Submit your case for presentation and discussion during the Metabolic and Endocrine Disease Summit Virtual Summer Conference.

We invite all registered meeting attendees to submit a case for consideration and discussion by our panel of metabolic and endocrine disease experts. Case topics can include: hypercalcemia, parathyroid, pituitary, adrenal disease, osteoporosis, PCOS, diabetes, diabetic kidney, hypoglycemia, metabolic syndrome, inflammation, obesity, lipid management, CV risk reduction and other cardiometabolic and endocrine topics.

Case submissions will be reviewed, and selected cases will be discussed as part of the Curbside Consultants session. There is no fee for submitting a case, and selection will be blinded.

Please pay attention to the Health Insurance Portability and Accountability Act (HIPAA) regulations in your case description.

---

### SUBMITTER INFORMATION
