Dear Colleagues,

ASTM Committee C26 on Nuclear Fuel Cycle is planning to hold its standards development meetings, a short course and a few workshops in Sao Paulo, Brazil, later this year. The events will all be held at Instituto de Pesquisas Energéticas e Nucleares (IPEN) in Sao Paulo, Brazil, Monday through Thursday, 16-19 September 2024.

As you may already know, the costs of holding such an event have increased over the past few years. In an effort to keep the registration fees at a price point that will allow everyone to attend, the organizing committee is seeking sponsors to help offset those costs.

We are seeking sponsorships in the amount of **\$500 USD**, but welcome more, if your organization would be so generous. All sponsors will have their logo displayed on a poster in the meeting rooms.

If you or your organization would like to be a sponsor of this event, payment can be made in the form of a check, wire transfer or by credit card. We kindly ask that you please fill out the accompanying sponsorship form and return it, along with your payment, to ASTM International by **31 May 2024**.

We thank you for considering this request and hope you can join us in Sao Paulo.

Thank you,

The Organizing Committee:

Mike Brisson
Savannah River National Laboratory

Joe Giaquinto
Oak Ridge National Laboratory

Ram Venkataraman
Oak Ridge National Laboratory

Olivio Pereira de Oliveira, Jr
Instituto de Pesquisas Energéticas e Nucleares (IPEN)
