About the AdvantAge Ontario Convention

The AdvantAge Ontario 2023 Convention draws hundreds of engaged leaders from across Ontario's long-term care and seniors' housing sector. For three days each year our members, supporters, sponsors and experts gather to learn, connect and forge the future of senior care.

Convention 2023 will be held in-person for the first time in three years! Our program will feature the inspiring keynote sessions and world-class education our members love, but the highlight in 2023 will be the fantastic in-person networking opportunities designed to help you reconnect with colleagues and business connections after three years. We look forward to seeing you there!
