Big hair, spandex, leather and lace make a comeback at our all-80s dinner and dance party. Rewind to a time before cellphones and social media as you dine and catch up with colleagues. Then it's time to "get physical!" Whether you're feeling "footloose" or "wanna dance with somebody," our band, Neon Mixtape, is ready to play all your 80s favourites. It's the perfect way to celebrate our return to an in-person Convention!
