ONSITE REGISTRATION PACKET INSERT

An opportunity exists for companies to have company specific information viewed by every registrant by having inserts placed with the registrant's registration materials. The inserts may be about a specific product, service, booth location or company function and represents an excellent opportunity to ensure your visibility.

Company inserts should follow these guidelines:

- A one-page insert is only one page
- If the insert is two pages, then there will be an additional charge of \$500 per page.
- May be composed of paper or paper-like material; however, thin, flimsy product information packet inserts are not acceptable and will not be put in the registrant packets
- May be imprinted front, back or both sides
- May be of any shape or size up to a regular piece of paper
- Must be provided by vendor
- Is not to exceed 8.5" x 11"
- ALL PRODUCT THEATER TITLES **MUST** BE UNBRANDED!
- **Product Theater Titles must be submitted to CCR no later than March 28, 2022**

ONSITE BOOTH

- Must contain the sentence, *"The Non-CME Corporate Forum content and views expressed therein do not necessarily reflect the views, policies or position of the Congress of Clinical Rheumatology."*
- **Insert must be pre-approved by CCR; See approval instructions below**
- Must be received by the Hilton no later than 12 noon Friday, May 6, 2022, to be included in onsite registration packets
- The onsite inserts should be sent:
ATTN: CCR Staff - Registration Materials
Hilton Sandestin Beach
4000 Sandestin Boulevard South Miramar Beach, FL 32550

Meeting materials are loosely stacked in the following approximate order: the conference bag on the bottom, a course syllabus, a meeting t-shirt, then the inserts in approximate order of size. The cost is based on the actual number of sheets or pieces of insert material to be inserted in each packet and is not dependent on whether it is imprinted on front, back or both sides.

Registration packet inserts are determined by Sponsorship Level. An exhibiting company has the option to purchase a registration packet insert if it is not included with your sponsorship level.

| | |
|---------------|------------------|
| Premier Level | 3 packet inserts |
| Diamond Level | 1 packet insert |

ONSITE REGISTRATION PACKET INSERT APPROVAL INSTRUCTIONS: All onsite registration packet inserts must be approved by Dr. Pam McLain. Please email your packet insert to pmclain@ccrheumatology.com for approval. Dr. McLain will reach out to you via email to either confirm acceptance or request a revision. If you do not receive a response, it is your responsibility to contact her to confirm acceptance.

Onsite Registration Inserts must be submitted for approval to pmclain@ccrheumatology.com **by April 14, 2022**, whether onsite or virtual, to be included in the CCR registration packet.

CONFERENCE ATTENDEE LIST

Premier, Diamond, and Platinum sponsorship levels, as well as Product Theater sponsors, will receive a complimentary conference attendee list as a part of their sponsorship package. This list will be emailed weekly to your company representative. Gold sponsorship level has the option to purchase the conference attendee list as an add on item. Any Gold sponsor can add the conference attendee list to your package by emailing pmclain@ccrheumatology.com. See Exhibitor Prospectus for pricing information. No conference attendee lists will be distributed to any company below Gold Sponsorship unless that company has purchased the option to have a product theater. Attendee lists are GDPR & CCPA compliant and will only contain attendee information when given permission by the attendee.

ONSITE BOOTH

ONSITE LEAD RETRIEVAL

The number of Lead Retrieval users is allocated based on sponsorship level. Any company has the option to purchase one or more lead retrieval users for onsite booth staff. To purchase lead retrieval users, email pmclain@ccrheumatology.com.

Premier Level = 6 users

Diamond Level = 4 users

Platinum Level = 1 user

Onsite Lead Retrieval will be available via the mobile app. Once the app is available, LR users will download the app to their phone or iPad. Exhibitors can scan visitor badges via the mobile app. CCR will send an announcement with a link to the mobile app once it is ready for download.

BOOTH STAFF LODGING INFORMATION

All onsite booth staff must register for booth staff badges. Once booth staff register on the CCR conference website, they will receive a confirmation email. This email will contain a group code for hotel reservations for CCR. There are additional housing options listed on the CCR website. Each Company is restricted to no more than 10 room block rooms. The Company may consult with the hotel and arrange further accommodations, if desired. If any company reserves more than 10 rooms in the room block, they will be contacted and requested to release the additional rooms. This is necessary due to the large number of company representatives that have cancelled room block rooms at the last minute.

STAFF REGISTRATION & NAME BADGES

Exhibitors / Booth Staff should register as booth staff on the CCR registration site. Name badges will be available for pick up at the onsite CCR registration desk. **All exhibitors must be registered for exhibitor badges at least ten days prior to the meeting in order to have their exhibitor name badge ready upon arrival.** Exhibitors are not permitted to wear company badges on site.

At this time, we do not have a limit on the number of Exhibitor booth staff badges that a company receives. To register your booth staff for booth staff badges, you will need to logon to our website, www.ccrheumatology.com, click on CCR-E/Destin and then click Register. Enter your email address and click the radio button "Exhibitor." On the next page, you can click the top radio button to register your booth staff personnel, using the Exhibit name you want for your booth. Booth staff exhibit registration is free and there is currently no limit on number. This registration will be used to print badges and will allow access only to the Exhibit Hall. It will NOT permit access to the main scientific session room. In order to register for access to the scientific session room, a choice other than Exhibitor must be chosen on the page for registering. Repeat the process for CCR-West.

For scientific session registrations, go to the website, <http://www.ccrheumatology.com> and then choose either East or West, depending on which you are registering for. Then, click the top

ONSITE BOOTH

right-hand button that says “Register.” That will take you to the registration page. There, please put in the appropriate email address for the scientific session registrant and the category, i.e. RN, NP, etc. If the individual does not have any academic credentials, use “Other.” **Do not check Exhibitor to register for the scientific sessions. It is very important that you don’t choose exhibitor if you are registering for the scientific sessions as you will not be able to register for the meeting under the Exhibitor category.** The Exhibitor category is only for booth staff badges which will not allow entrance to the scientific sessions. After entering your email address, use your company’s Discount code, if applicable, click a category other than Exhibitor, click next and it will move to the next page of registration for the name, address, etc. Repeat the process for West.

BOOTH PACKAGE SPONSORSHIP

Please refer to your CCR East 2022 Exhibitor Prospectus for all items that are included with your sponsorship level. The prospectus also contains a description of any items that are available for purchase as an add on item to your sponsorship package.

VIRTUAL BOOTH

VIRTUAL BOOTH SET UP

Your company representative (primary contact for virtual booth) will receive an email with admin credentials. These admin credentials will allow you to customize and set up your virtual booth. The email will be sent by March 16, 2022. There is a list of asset specifications below that will guide you in the items needed to place in your virtual booth. If you have any questions regarding your virtual booth set up and assets needed, please email EXHIBITORS@CCRHEUMATOLOGY.COM.

VIRTUAL BOOTH GO LIVE DATE

The CCR East virtual platform will go live on 5/10/2022. Please ensure that your virtual booth is ready to be viewed by attendees on this date.

VIRTUAL PRIMARY CONTACT & BOOTH STAFF

CCR needs one primary contact for your virtual booth. This contact will receive all emails related to your company's virtual booth. To ensure we have the correct contact on file, please complete this [Exhibitor Details form](#) and email exhibitors@ccrheumatology.com.

CCR recommends having your virtual booth staffed by your company representatives, specifically during peak exhibit times. The company's primary contact can assign staff / managers to the virtual booth. Your virtual booth will receive up to 8 booth staff. If you need additional virtual booth staff, it is \$10.00 per additional staff / spot. If you need additional booth staff spots added to your virtual booth, please email exhibitors@ccrheumatology.com.

GAMIFICATION

Gamification is for virtual booths only. It does not apply to onsite booths. Each virtual booth will be given a gamification code by CCR. Each code is assigned a point value based on sponsorship level. The company's primary contact will receive this code via email to incorporate into your virtual booth.

The way in which your company decides to distribute your gamification code to your booth attendees is at your sole discretion. Some options include having your booth staff give the code once they are chatting with a booth visitor, you can require an attendee to download a file to receive the code, or you can simply post the code on your booth for all attendees to see without having interaction. We encourage you to get creative with your gamification code.

Virtual Product Theaters will have their own unique gamification code and points value. See Gamification under Product Theaters for more details.

VIRTUAL BOOTH

*NOTE: The drawing will be conducted by A&R Educational Group, LLC which is solely responsible for its conduct. The drawing benefits A&R Educational Group, LLC by increasing traffic to the exhibits. All prizes awarded are at the discretion and control of A&R Educational Group, LLC.

IMPORTANT DISCLAIMER: NO PHARMACEUTICAL UNRESTRICTED EDUCATIONAL GRAND FUNDS, CORPORATE SPONSORSHIP FUNDS OR EXHIBITOR FEES PROVIDED BY ANY PHARMACEUTICAL COMPANY ARE USED TO ACQUIRE OR PURCHASE THE PRIZES.

ADVANCED VIRTUAL BOOTH

Premier, Diamond, Platinum, Gold, and Silver sponsorship levels have virtual lead retrieval included with their virtual sponsorship. All other sponsorship levels have the option to purchase the advanced virtual booth / virtual lead retrieval as an add on item. Details and pricing can be found in the exhibitor prospectus. If you wish to add virtual lead retrieval, please email pmclain@ccrheumatology.com.

Virtual lead retrieval will give the following two options for your virtual booth: (1) a Request Information button which is essentially like collecting a business card from an onsite attendee, (2) a Join Live button which allows for a video call for up to 25 attendees (3) Lead Retrieval report, and (4) 3D Booth name on the virtual map.
