

FREQUENTLY ASKED QUESTIONS (FAQs)

1. Name of event: MITRE Health Advisory Committee Meeting

2. Date of event:

December 8, 2021

Recognizing continued concerns regarding COVID-19, MITRE will conduct the meeting online. Government guests can choose to participate in individual sessions based on their mission interest and schedule.

3. Location of event:

December 8, 2021 9am-1pm EST: Virtual meeting platform. Specific meeting link to be shared with registrants before the meeting date.

4. Approximate number of attendees: 50-60

5. Describe the categories of anticipated attendees (industry, government, academics):

- Federal executives from government organizations with health and human services missions.
- Members of the MITRE Health Advisory Committee, including former government, industry, and academia.
- MITRE leaders and subject matter experts.

6. Who is holding/organizing the event?

MITRE. As a not-for-profit organization, MITRE works in the public interest across federal, state, local, territorial, and tribal governments, as well as industry and academia, to tackle challenges to the safety, stability, and well-being of our nation. As the operator of federally funded research and development centers ([FFRDCs](#)), we address healthcare and public health issues through our work with multiple government agencies. Government sponsors include the [Department of Health and Human Services](#), the Department of Veterans Affairs, the Department of Defense, and the Department of Homeland Security. The work of the Health Advisory Committee guides MITRE's development of innovative objective insights for our government FFRDC sponsors and informs MITRE efforts across industry and government to solve our nation's toughest health and human services problems.
