

Matthew Noffke is a Senior Manager within the Financial Service Office (FSO) of EY's Consulting practice. He brings over 11 years of external audit and internal audit experience within the financial services industry and serves on the FSO Enterprise Risk ESG Solution Team. Throughout the past seven years, Matthew has been providing internal audit, process and control improvement, and internal audit transformation services in the insurance industry. He currently manages the complete Internal Audit (IA) outsource for multiple workers' compensation insurance companies and has served in this role for the past six years. The work includes executing cross-functional audits, issuing audit reports, preparing audit committee packages, and presenting results to the respective audit committees.
