

Empowering Surgeons Throughout Their Careers

Harnessing the power of surgical video analytics, expert feedback and peer review, surgeons of all levels can track performance and continuously refine their skills. C-SATS provides a HIPAA-compliant, cloud-based platform for surgeons to capture and store their surgical videos, uncover valuable insights, benchmark themselves and share their expertise with the broader surgeon community.

Benefits

- ✓ Surgical video capture & storage
- ✓ Clinical insights & analytics
- ✓ Unbiased assessment & feedback
- ✓ Personalized learning & sharing

How Does It Work?

A community built for surgeons and health systems dedicated to excellence.
