About Guide Dogs of America and Tender Loving Canines

ASSISTANCE DOGS

The Metal Trades Department has chosen the Guide Dogs of America as its charity of record. All proceeds from the Tournament will benefit the Guide Dogs of America in its mission to provide guide dogs and instruction in their use, free of charge, to blind and visually impaired men and women from the United States and Canada so that they may continue to pursue their goals with increased mobility and independence.

In January 2020, Tender Loving Canines Assistance Dogs merged with Guide Dogs of America. The Metal Trades Department is excited about this merger as the organization works to provide service dogs to Veterans and individuals with autism and other developmental disabilities.

We hope that you can join us in supporting this important cause by sponsoring the tournament and also through your participation.

Guide Dogs of America is a 501c(3) organization. Donations are tax deductible to the extent permitted by law.

Guide Dogs of America tax ID No. 95-1586088.

Dear Supporter,

As you may know, the Guide Dogs of America is a worthy cause that was founded by a member of the International Association of Machinists and Aerospace Workers. In January, Tender Loving Canines Assistance Dogs merged with Guide Dogs of America. The Metal Trades Department is excited about this merger as Tender Loving Canines works to provide service dogs to veterans and individuals with autism and other developmental disabilities. With this new addition to the organization, the Guide Dogs of America needs our support more than ever as they strive to provide assistance to those in need. We hope that you can join us in supporting this important cause by sponsoring the 2022 Metal Trades Department Annual Charity Golf Tournament and also through your participation.

We are very excited to assist them their admirable endeavors.

This tournament is sure to be a great kickoff to our Annual Metal Trades Department Conference events. Please return your registration form promptly or register online at www.mtdregistration.com and click on the "Golf Tournament" tab.

Should you have any questions, feel free to call Tournament Chairman James Hart, 202-508-3705.

Sincerely,

**James Hart,
