

# Annual Meetings 2023

November 18–21 🌐 San Antonio, Texas

Dear Annual Meetings 2023 Exhibitors,

We would like to make you aware of a situation that has been brought to our attention. There are several companies who have been contacting our exhibitors and attendees and disguising themselves as the AAR & SBL Annual Meetings Housing Bureau. They are claiming they can get better rates, that rooms are limited or any other sales pitch method. They are not the official housing bureau and are not affiliated with the Annual Meetings 2023, hosted by AAR & SBL in any way.

All Housing requests may be made directly through AAR & SBL at the time of your staff registration. All housing registration is done directly through AAR & SBL and we are not using a third party this year. We are used to handling the volume of reservations received for Annual Meetings 2023. We will only book rooms at the hotels within the block with previously negotiated rates in which AAR & SBL has contracted years in advance. Neither AAR nor SBL will ever contact you via the phone and solicit your housing or registration business. They will contact you via phone if you contact them and ask them to return your call.

When the Annual Meetings 2023 Exhibitor Registration & Housing opens, you will receive an email from [AdEx@annual-meetings.org](mailto:AdEx@annual-meetings.org) with AAR & SBL's contact information and instructions and links regarding registration and housing. You will receive your designated number of complimentary registrations by using this link and will also be able to book your hotel rooms at this time.

If you have already made hotel reservations through this Pirate organization, AAR & SBL will be unable to guarantee the validity of the reservation. If you would like to cancel your reservations, please contact the hotel directly. Additionally, contact your credit card company and tell them NOT to pay the 20% penalty if it is put through by Exhibition Management.

Please feel free to contact us with any questions. We look forward to seeing you in San Antonio!

Thank you,

Annual Meetings 2023

Hosted by AAR & SBL
