

FOOD SCIENCE/NUTRITION ▶▶ SUMMER RESEARCH EXPERIENCE FOR ◀◀ UNDERGRADUATE STUDENTS

June 17-July 12, 2024

Texas A&M University Campus, College Station, TX

Lodging on campus, food, research supplies, tours, outings and other associated costs are covered through USDA NIFA award funding.

Check in Date will be Sunday: 6/16/2024 at 11:00am

Check out Date will be on Friday 7/12/2024 at 5:00pm

Benefits of the Research Experience for Undergraduates:

- ✔ Gain research experience and develop critical thinking skills that are valuable assets for personal and professional growth.
- ✔ Discuss the relationship between nutrition and health, specifically the roles of polyphenols in preventing chronic diseases such as obesity.
- ✔ Become an agent of change in a local community for food science and STEM field engagement.
