Action Item wc101: Resolution Authorizing the Use of a Hybrid Meeting Platform for the 2023 Session of

the Wisconsin Annual Conference of The United Methodist Church

Submitted by: Kevin Rice Myers, Conference Secretary, and the Members of the Cabinet

Conference Action:

Whereas, we recognize that, after three years holding Annual Conference Sessions fully or partially online due to the COVID-19 pandemic, there is a strong desire for the 2023 Annual Conference Session to be held in-person and

Whereas we also recognize that there are many Annual Conference members who are not yet comfortable attending a large in-person gathering, and that the most conscientious course for our life together is to hold the Annual Conference Session in-person, while also making it possible for those conference members who choose to do so to attend and fully participate in the Annual Conference Session online, and

Whereas there is business that that must be attended to and decisions that must be made by the 2023 Wisconsin Annual Conference Session in order to facilitate the ongoing work of the Annual Conference until the 2024 Annual Conference Session, and

Whereas the elected leaders and staff of the Wisconsin Annual Conference have worked diligently to arrange a "Hybrid Annual Conference Session" that makes possible discussion, debate, and an orderly decision-making process, with full participation for those who attend either in-person or online, and

Whereas the provisions of ¶¶603.2 and 603.3 of the 2016 Book of Discipline of The United Methodist Church regarding the time and place of the Annual Conference Session have been followed, and

Whereas all lay and clergy members of The Wisconsin Annual Conference have been sent timely notification of the intent to hold the 2023 Wisconsin Annual Conference Session using a "hybrid" model on Friday, June 9, 2023 through Sunday, June 11, 2023,

Therefore Be It Resolved that the 2023 Session of The Wisconsin Annual Conference authorizes the use of a "Hybrid Meeting Format" for the 2023 Annual Conference Session on Friday, June 9 through Sunday, June 11, 2023 for conducting the business of The Wisconsin Annual Conference, and

Be it Further Resolved that the 2023 Session of The Wisconsin Annual Conference authorizes the use of the ZOOM Webinar platform, facilitated by the services of GNTV Media Ministry, for conducting the online portion of the 2023 Annual Conference Session.

Action Item wc102: Proposed Session Rules and Procedures for the 2023 Hybrid Wisconsin Annual

Conference Session (2/3 Majority Vote Required)

Submitted by: Kevin Rice Myers, Conference Secretary

Conference Action:

INTRODUCTION

The 2023 Session of the Wisconsin Annual Conference of The United Methodist Church is scheduled pursuant to notice and call for Friday, June 9, 2023 through Sunday, June 11, 2023. The Clergy Session is scheduled for Thursday, June 1, 2023.

Due to the ongoing impact of the COVID-19 pandemic, the 2023 Annual Conference Session will be conducted using a hybrid format. Annual Conference members may attend either in-person at the KI Convention Center in Green Bay, or online through the ZOOM Webinar platform, hosted by GNTV.

Any gathering as large as an Annual Conference Session needs a set of guidelines to facilitate the work that the group must do together. Conducting an Annual Conference Session in a hybrid format, with some members present in-person and some members present online via a digital platform, has inherent characteristics that make our work even more challenging. Many of those challenges affect the amount of time required to consider and complete the work the Annual Conference must do. These realities require different rules and procedures for conducting the business of the Annual Conference than those normally used when the Annual Conference gathers fully in-person. These "Session Rules and Procedures" are offered to the Annual Conference to guide and facilitate the 2023 Hybrid Session of the Wisconsin Annual Conference. They are designed to provide the opportunity for faithful and open discussion and decision-making on those matters which are to be considered by the Annual Conference this year. At the same time they allow the Conference to use the digital platform efficiently to conduct the business of the Annual Conference within the time available, and do so in ways that make full participation in the Annual Conference possible for all members, whether attending in-person or online.

The following Session Rules and Procedures for the 2023 Wisconsin Annual Conference Session are therefore respectfully presented to the members of the Annual Conference for adoption.

RESOLUTION:

Whereas the Wisconsin Annual Conference has approved a resolution authorizing the use of a Hybrid Meeting Format for the 2023 Session of the Wisconsin Annual Conference of The United Methodist Church,

Therefore be it resolved that the 2023 Session of the Wisconsin Annual Conference of The United Methodist Church, meeting both in person and online on Friday, June 9 through Sunday, June 11, 2023, adopts the following "Session Rules and Procedures" as the basis for conducting the 2023 Annual Conference Session.

A. General Rules.

- 1. These Session Rules and Procedures will guide both the preparation for and the activity during the plenary sessions of the 2023 Annual Conference.
- 2. These Session Rules and Procedures apply to the 2023 Annual Conference session notwithstanding any prior Conference Standing Rule or Policy. If there is a conflict between Conference Standing Rules and Policies and these Session Rules and Procedures, the Session Rules and Procedures will take precedence.
- 3. References to the *Discipline* in these Session Rules and Procedures are to the current *Book of Discipline of The United Methodist Church ("Discipline")* unless it is otherwise clear from the context that the subject matter refers to an earlier version.

The latest edition of *Robert's Rules of Order Newly Revised* shall be the guiding resource in all cases where the *Discipline*, these *Session Rules and Procedures*, or other *Conference Rules and Policies* do not apply.

In case of a conflict between these Session Rules and Procedures and Robert's Rules of Order Newly Revised, these Session Rules and Procedures shall take precedence.

- 4. The coordinator for the online portion of the conference is GNTV Media Ministry ("GNTV"), working in cooperation with Conference support persons. Together they have developed and published instructions for registration, debate, voting and other processes.
 - a. The digital platform for the Annual Conference session is Zoom Webinar.
 - b. Zoom Webinar uses key terminology: "Panelist" is an individual attending in-person or online who is leading, presenting, assisting leadership, or a promoted attendee allowed to speak and be heard by everyone attending the conference. "Attendee" is an individual attending online who is able to see and hear what is happening, but who must be given access to speak and be heard by the presiding officer, or who is attending in person at the KI Center in Green Bay, and who must be recognized by the presiding officer in order to speak to the Annual Conference Session.
- 5. The most recent version of these instructions published prior to the opening plenary session are deemed incorporated into these *Session Rules and Procedures* and will be used to govern decisions made during the Annual Conference session.
- 6. These *Session Rules and Procedures* will be presented for adoption by a two-thirds (2/3) majority vote during the opening plenary session.
- 7. These *Session Rules and Procedures* may be amended from the floor of the Annual Conference session prior to their adoption at the beginning of the opening plenary session. Any proposed amendment to these Session Rules and Procedures will require a two-thirds vote of the voting body.
- 8. The presiding officer for all sessions of the Annual Conference is the resident bishop or his designee.

B. Membership and Setting the Bar

- 1. The bar will be set through the registration process.
- 2. Conference Members authorized to vote will be screened when they register and issued a voter-unique identifier code for use in voting.
- 3. Only Conference Members eligible to vote using their voter-unique identifier code will be permitted to vote.
- 4. The voter-unique identifier code issued to each person secures the ballots so that only registered and authorized members of the Annual Conference can vote.
- 5. The voter-unique identifier code will screen according to lay and clergy categories, as otherwise provided in the *Discipline*.
- 6. The voter-unique identifier code relies on the technology of the digital platform process and will not be independently monitored by human eyes unless a proper challenge is made to the qualifications of a given voter and this challenge is recognized by the presiding officer.
- 7. All lay and clergy members of the Wisconsin Annual Conference have the privilege of the floor and may address any issue before the body after being recognized by the presiding office to speak.
- 8. Membership and formulas for lay/clergy equalization shall be those in effect for the 2017 session of the Wisconsin Annual Conference, as published in the most recent edition of the Conference Rules and Policies.
- 9. Roll call will be taken by recording the names and email addresses of persons who have been issued a voterunique identifier code and matching those names with the persons who log on to the Online Annual Conference session or who register in person at the KI Convention Center in Green Bay, WI.

- 10. Any active clergyperson who must be absent from the Annual Conference Sessions shall Email a request for an excused absence, along with the reasons for their absence, to the Conference Secretary at ConfSec@wisconsinumc.org and to the clergyperson's District Superintendent prior to the opening of the Annual Conference Session. Unexcused absences will be handled following the procedures of ¶602.8 of the 2016 Book of Discipline.
- 11. Voting privileges belong to all those authorized to vote by the 2016 Discipline and by Wisconsin Conference Rules 2.1.0 and 2.2.0.

C. Voting and Quorum.

- 1. All voting will be done through GNTV's web-based online voting platform, regardless of whether a member of the conference is attending in person at the KI Center or online via GNTV's ZOOM Webinar.
- 2. Voting is authorized by the following methods as called for by the presiding officer:
 - a. Voting for specific action: This method will be used generally for votes requiring a majority or supermajority vote. Examples of majority vote actions include approval of the conference budget and routine Annual Conference Action Items. Examples of super-majority votes are certain clergy classifications and certain parliamentary votes. Items that require a super-majority vote will be clearly identified in the Pre-Conference Workbook.
 - b. Voting by class or slate of candidates: This method may be used for certain clergy classification votes and for other votes where deemed expedient or proper by the presiding officer.
 - c. Voting by ranked-choice: Qualified voters may be asked to vote for a specified number of choices from a group of options on a particular ballot. The voter must vote for exactly the number of choices specified for that particular ballot. The specified number of choices receiving the most votes after one ballot shall be deemed approved, except in circumstances where the Book of Discipline requires a clear majority vote for adoption or election.
- 3. A majority vote is more than half of those eligible voters present <u>and</u> voting on a particular ballot. A one-third (1/3) vote is at least one-third of those eligible voters present <u>and</u> voting on a particular ballot. A two-thirds (2/3) vote is at least two thirds of those eligible voters present <u>and</u> voting on a particular ballot. A three-fourths (3/4) vote is at least three-fourths of those eligible voters present <u>and</u> voting on a particular ballot.
- 4. For all purposes on any vote otherwise called for during the Annual Conference session, a member is deemed "present and voting" if the member votes using the voter-unique identifier code that has been assigned to that person to cast a ballot.
- 5. For all purposes, a quorum shall be all members present and able to vote.
- 6. The digital voting platform is designed to provide an accurate vote count following the close of a vote. A report will be made on each vote taken in as timely a manner as possible within the limits of the digital platform, technology and human efforts.
- 7. All motions and amendments made during the Annual Conference session must be submitted in writing prior to being recognized on the floor. This shall be done by using the "Get Recognized" feature of the GNTV's Web-Based Voting Platform discussed below under "Debate". For lengthier motions or amendments (exceeding a short paragraph or 1023 characters), the proponent must use both the "Get Recognized" feature to signal that a motion or amendment is forthcoming, and also send the motion to both of the following email addresses to transmit the body of the motion or amendment: ac@gntv.info and ConfSec@wisconsinumc.org

D. Debate.

- 1. The debate process during the Annual Conference session will generally follow the GNTV instructions.
 - a. Any individual wishing to speak, whether they are participating in person at the KI Center or online through the GNTV Webinar, may <u>only</u> be recognized by using the "Get Recognized" form on the GNTV Voting Website to indicate why they want to be recognized. These requests will be placed in a queue for the presiding officer.
 - b. Persons wishing to speak must indicate on the "Get Recognized" form the exact purpose of their request for recognition: Ask a Question; Motion; Amendment; Second; Call the Question; Point of Order; Moment of Personal Privilege; and so forth, and the Annual Conference business item to which the request relates. They must also indicate whether they are attending in-person or online.
 - c. If submitting a motion or amendment, the text of the motion must be submitted in writing as provided above in Rule C(6).
 - d. Once recognized by the presiding officer, if attending in-person, the person recognized should proceed to the microphone designated by the presiding officer.
 - e. Once recognized by the presiding officer, if attending online the attendee should use the "Raise Hand" feature of the ZOOM Webinar Platform to be identified in the attendee list. Their microphone will then be enabled by GNTV. The attendee then needs to unmute their microphone and begin speaking.
 - f. The "Chat" feature of the ZOOM Webinar Platform will be disabled during plenary sessions. Attendees cannot use the "Chat" feature to be recognized or take other action during debate or voting.
- 2. The presiding officer at any given session shall have the discretion to recognize who speaks to any matter and in what order. A member is not entitled to speak to a matter until recognized by the presiding officer.
- 3. The presiding officer may declare a recess in the proceedings at any time to address technical difficulties with respect to such proceedings, or for any other purpose deemed appropriate by the presiding officer.
- 4. The presiding officer may order the tabling or postponement of any motion, amendment or other matter on the floor to permit a sidebar discussion. The presiding officer may recall the tabled matter at the next convenient time.
- 5. Members shall speak no more than once on a given item. Debate on motions and amendments shall be limited to three (3) speakers in favor and three (3) speakers against with a two (2) minute time limitation per speaker. In addition, the presenter of the motion, or person designated by the presenter, shall be entitled to no more than two minutes to close the debate.
- 6. It shall be the privilege of the presiding officer to use the following procedure for debate: to recognize alternately someone for and someone against the issue, and, when possible, give balance to clergy and lay members. The presiding officer shall have the discretion to expand debate on any debatable motion or amendment.

E. Agenda and Schedule

- 1. All proposals for action at the 2023 Annual Conference session shall be published electronically in the Pre-Conference Workbook on the Conference website (www.wisconsinumc.org) and on the Conference Registration website, and shall be available to the members of the Annual Conference prior to the opening of the Annual Conference Session.
- 2. The Agenda for the 2023 Annual Conference Session shall be the list of Action Items published in the Table of Contents of the Pre-Conference Workbook. Motions from the floor introducing new material require the suspension of Conference Rule 2.3.4. If the conference votes to suspend this rule, then any resolutions or action items brought to this session of the Annual Conference that were not submitted for inclusion in the Pre-Conference Workbook will be dealt with after the business of the Annual Conference is completed, but before the order of the day for the Ordination and Commissioning Service, at the discretion of the presiding officer as time allows.
- 3. The Schedule for the 2023 Annual Conference Session shall be published on the conference website(s) prior to the Annual Conference Session. The schedule, and the sequence in which items are considered, may be adjusted by the Director of Connectional Ministries in consultation with the Bishop, Conference Secretary, and/or the Chairperson of the Conference Program and Arrangements Committee.
- 4. The Action Item format shall include a section for the Proposed Action and may include a Rationale. Only the Proposed Action of an item (typically labeled "Therefore be it resolved...") may be debated or amended. The Rationale (typically labeled "Whereas") is presented for information as a resource for conversation.
- 5. The 2023 Annual Conference Session will be considering resolutions from the Conference Board of Trustees regarding the Disaffiliation of Local Congregations from The United Methodist Church under the provisions of ¶2553 of the 2016 Book of Discipline as amended by the 2019 Special Session of the General Conference. The Judicial Council of The United Methodist Church has ruled in Decisions 1379 and 1420 that those resolutions require the consent of the Annual Conference, but are not subject to amendment by the Annual Conference.
- 6. All Action Items will identify the group or individual submitting the action item. That group or individual will be responsible for presenting the Action Item to the Plenary Session of the Annual Conference, and for responding to questions related to the Action Item. Video or audio presentations of some Action Items may be pre-recorded to facilitate the flow of the Annual Conference Session.
- 7. The Conference Secretary, in consultation with the Bishop and Cabinet, may:
 - a. Combine Proposed Action Items to promote good conversation or clarity of intent.
 - b. Designate one Proposed Action Item as a "Main Motion" and other Proposed Action Items as "Amendments."
 - c. Develop special parliamentary procedures to consider the Action Items.
- 8. In order to facilitate the electronic balloting process, Action Items of a similar nature or subject may be grouped under one motion. In this way multiple related Action Items may be voted upon using a single ballot. GNTV's voting software allows separate votes on multiple related action items to be taken on a single ballot. When that is to be done, it will be clearly indicated in the Pre-Conference workbook.

F. General Parliamentary Procedures.

- 1. The presiding officer shall decide all questions of order, subject to an appeal to the body in question. In case of such an appeal, the question is not debatable, except that the presiding officer may state the grounds for the decision and the appellant may state the grounds for the appeal.
- 2. Only a member with a voter-unique identifier code has the right to make a motion and to vote.
- 3. A Call to Prayer shall always be in order.

- 4. All motions must be made <u>before</u> speaking to the motion or matter under discussion. If, after discussing a pending question and before relinquishing the floor, a speaker makes a motion of any kind, that motion shall be out of order.
- 5. If a speaker requests the floor without identifying the purpose of their request in the "Get Recognized Queue" as "Make a motion" or "Amendment" any motion that person makes prior to relinquishing the floor shall be out of order.
- 6. When a motion is made and seconded, or a report presented or read by the Secretary and then stated by the presiding officer, it shall be deemed in possession of the Annual Conference.
- 7. Because all votes taken using the digital voting platform are counted votes, a motion requesting a count vote and/or a motion to "divide the house" shall not be in order.
- 3. The following motions are not debatable:
 - a. Fix the time to adjourn.
 - b. Adjourn.
 - c. Recess.
 - d. Question of privilege.
 - e. Call for the order of the day.
 - f. Lay on the table.
 - g. Previous question.
 - h. Limit or extend limit of debate.
 - i. Reconsider a non-debatable motion.
 - j. Take from the table.
 - k. Suspend the Rules
- 9. No new motion or Action Item shall be entered until the one under consideration has been disposed of, which may be done by adoption or rejection, but one or more of the following motions may be made, and they shall have precedence in the order in which they are listed, namely:
 - a. Fix time to adjourn.
 - b. Adjourn.
 - c. Recess.
 - d. Lay on the table.
 - e. Order the previous question.
 - f. Postpone to a definite time.
 - g. Commit or refer.
 - h. Amend (by addition, deletion or substitution)
 - i. Postpone indefinitely.
- 10. A main motion may have only one primary amendment and one secondary amendment at any one time.
- 11. A motion "to move the previous question" or to "call the question" is used to request an end to debate on the motion that is currently before the Annual Conference, shall not be debatable, and requires a two-thirds (2/3) majority to pass.
- 12. A motion "to move the previous question (or "call the question") on all that is before us" is used to request an end to all debate on the entire matter before the Annual Conference, and requires a two-thirds (2/3) majority to pass. When a motion "to move the previous question on all that is before us" is approved, the conference then proceeds without further discussion to vote on any secondary amendments, primary amendments, and the main motion (the "Action Item") that are currently being considered.

Action Item wc103e: Resolution Relating to Rental/Housing Allowances for Retired or Disabled

Clergypersons of the Wisconsin Conference (Consent Agenda)

Conference Action:

BE IT RESOLVED the Past Service Annuity Rate (PSR) for 2024 shall be \$878.

Action Item wc104b: Resolution on Minimum Compensation for 2024

Submitted by: Joint Board of Pensions, Insurance & Equitable Compensation

Conference Action:

Whereas the formula for establishing the minimum compensation for ordained clergy, local pastors, and student local pastors appointed to charges in the Wisconsin Annual Conference may be based on one of the following two factors, or combination of the two: 1) the minimum salary for the previous year for each category, plus the cost of living factor established by the U.S. Government for Social Security purposes, plus up to 1%; or, 2) the percentage change in the Conference Average Compensation (CAC) for the previous year; and

Whereas this formula was approved by the 2012 session of the Wisconsin Annual Conference for implementation starting in January 2014 and is Conference Rule 110.1.0; and

Whereas the most recent cost of living increase established by U.S. government was 8.7% in 2023 and the Conference Average Compensation increased by 0.0068% in 2022¹

Therefore, be it resolved the Minimum Compensation for Elders, Provisional Members, and Associate Members serving full time for 2024 shall be \$48,679. The Minimum Compensation for Local Pastors serving full time shall be \$44,041. This is a 5.0% increase.

Action Item wc105: Proposed Revisions to Conference Rule 2.2.0: Membership Tenure (2/3 Vote Required)

Submitted by: Kevin Rice Myers, Conference Secretary

Conference Action:

Whereas ¶32 of the Constitution of The United Methodist Church and ¶602.4 of *The Book of Discipline* define the lay membership of the Annual Conference, and

Whereas those paragraphs stipulate that

"If the lay membership should number less than the clergy members of the annual conference, the annual conference shall, by it's own formula, provide for the election of additional lay members to equalize lay and clergy membership of the Annual Conference." and

Whereas current Conference Rule 2.1.0 Annual Conference Membership establishes the formula for lay equalization authorized in ¶32 and 602.4, and

Whereas current *Conference Rule 2.2.0 - Membership Tenure* provides that the number of lay and clergy members of the Annual Conference shall be established once every four years, following the session of the General Conference, for a four year term beginning on January 1 following the General Conference, and

Whereas a Conference Rule establishing a four-year term for lay members of the Annual Conference has been in place in some form at least since the merger in 1970 of the Wisconsin Conference of the former Evangelical United Brethren Church with the West Wisconsin Conference and the East Wisconsin Conference of the former Methodist Church to form the Wisconsin Conference of The United Methodist Church, and

Whereas substantial changes in the clergy membership of the Annual Conference, in church and charge alignments, and in the lay membership of local congregations now regularly take place over a four-year period, causing a significant imbalance in the number of lay and clergy members of the Annual Conference and uncertainty about the number of lay members pastoral charges are to elect, and

Whereas many pastoral charges are currently electing Lay Members of the Annual Conference on an annual basis, rather than for a four-year term,

Therefore be it resolved that *Conference Rule 2.2.0 - Membership Tenure* be revised as follows in order to provide for the calculation of the lay equalization and election of Lay Members of the Annual Conference on an annual basis:

2.2.0 Membership Tenure

- 2.2.1 The number of lay and clergy members of the Conference shall be established once every four years annually for the next quadrennium following year except as provided in The Discipline.
- 2.2.2 The Conference Secretary shall <u>annually</u> certify to the Bishop the number of lay members of the annual conference for the following <u>quadrennium</u> <u>year</u> by September 1 following the regular session of the <u>General Annual Conference</u>.
- 2.2.3 The Conference Secretary shall also communicate to each charge the number of lay members to be elected by that charge for the following quadrennium <u>year</u> by September 1 following the regular session of the General Annual Conference.
- 2.2.4 Lay members shall be elected by the local charge for a <u>one four</u>-year term to begin service January 1 following the regular session of the <u>General Annual Conference</u>. <u>Lay Members may be re-elected annually by their local charge for subsequent terms as Lay Members of the Annual Conference</u>.
- 2.2.5 This rule shall be re-evaluated by the Conference Secretary, the Conference Board of Laity, and the Conference Program and Arrangements Committee at the end of the 2024-2028 quadrennium to determine its effectiveness in equalizing the lay and clergy membership of the Annual Conference.
- 2.2.5 All members (lay and clergy) of annual conference are expected to attend its sessions (¶602.8).

Action Item wc106: Resolutions Proposing Changes to Conference Policies (Majority vote required)

Submitted by: Conference Secretary on behalf of Groups Listed Below

Conference Action:

BE IT RESOLVED that the 2023 Wisconsin Annual Conference approves the following Action Items:

Action Item wc106a Proposed New Policy 160.1.4: Reimbursement of Expenses for Ex Officio Lay

Members of Annual Conference to attend Annual Conference Sessions

Action Item wc106b Proposed Changes to Conference Policy 120.0.0: Group Health Insurance Policy

Action Item wc106a: Proposed New Policy 160.1.4: Reimbursement of Expenses for Ex Officio Lay

Members of Annual Conference to attend Annual Conference Sessions

(majority vote required)

Submitted by: Conference Board of Laity and Kevin Rice Myers, Conference Secretary

Conference Action:

Whereas Conference Policy 160.1.3 provides that congregations shall pay the expenses of their clergy and lay members of Annual Conference to attend the sessions of the Annual Conference, and

Whereas ¶32 of The Constitution of The United Methodist Church and Conference Rules 2.1.1 through 2.1.10 name other lay persons who are not elected by local congregations but are instead Lay Members of the Annual Conference by virtue of a particular leadership position they hold (Ex Officio Lay Members), and

Whereas there is currently no Conference policy or procedure in place to reimburse the expenses that Ex Officio Lay Members of the Annual Conference incur to attend the sessions of the Annual Conference, and

Whereas this concern has, up until now, been addressed on an "ad hoc" basis,

Therefore be it resolved that the 2023 session of the Wisconsin Annual Conference adopts the following new policy 160.1.4:

160.1.4 The Conference Council on Finance and Administration, in consultation with the Conference Board of Laity, shall include in the annual budget of the Board of Laity an amount sufficient to reimburse expenses incurred by the Ex Officio Lay Members of the Annual Conference named in ¶32 of the Constitution of The United Methodist Church and in Conference Rule 2.1.1 through 2.1.10 to attend the sessions of the Annual Conference.

The Board of Laity, in consultation with the Conference Council on Finance and Administration, shall annually determine the maximum amount of expense reimbursement for an Ex Officio Lay Member to attend the sessions of the Annual Conference, based upon the anticipated costs of registration, meals, travel and lodging for that year's session. This amount may or may not cover all the expenses incurred by an Ex Officio Lay Member to attend the Annual Conference sessions, based upon availability of funds.

The Board of Laity, in consultation with the Conference Council on Finance and Administration, may establish its own procedures for administering the reimbursement of the expenses of Ex Officio Lay Members to attend the Annual Conference sessions.

Action Item wc106b: Proposed Changes to Conference Policy 120.0.0: Group Health Insurance Policy

(majority vote required)

Submitted by: Joint Board of Pensions, Insurance and Equitable Compensation

Conference Action:

[Editor's Note: If the proposed changes noted below are approved, paragraph numbering and lettering will be adjusted accordingly prior to inclusion in the Conference Rules in the 2023 Conference Journal.]

Whereas the Joint Board approved a change in 2022 regarding the procedure for calculating subsidies for Pre-65 spouses who choose to remain on the active plan to a single percentage, rather than a tiered structure based on years of experience, and

Whereas the withdrawal of some clergy from The United Methodist Church due to the disaffiliation of local congregations may impact the Wisconsin Annual Conference's liability for providing subsidies to retired clergy who are no longer members of The United Methodist Church,

Therefore be it resolved that the Wisconsin Annual Conference adopt the following proposed changes in Conference Policies 120.1.1 - 120.1.9 to reflect the current reality; and that the Conference adopt the following proposed new Policy 120.1.10:

120.0.0 Group Health Insurance Policy

- 120.1.1 **Participation**. All three-quarter and full-time pastoral charges and pastors are required to participate in the health insurance plan.
- 120.1.2 **Church Contributions.** Churches shall contribute a monthly universal premium as set by the Joint Board for every person under appointment that is serving at least three-quarter time in the local church. All participating pastoral charges will pay the same premium for every pastor, regardless of single or married status, or number of dependents.
- 120.1.3 **Premium Changes.** The Joint Board of Pensions, Insurance and Equitable Compensation shall adjust the premium rates when financially necessary.
- 120.1.4 **Lay employees** of the Conference and the local churches may be enrolled into the Conference Group Insurance Program. Such employees must work 30 hours per week or more. Local churches will be billed for 100% of applicable premium per employee. Enrollment must be within 30 days of employment.
- 120.1.5 **Surviving spouse of an Active Clergy Person**. In the event of the death of a fulltime or three-quarter time, active (not retired), clergy member under appointment serving a local charge in the Wisconsin Conference and enrolled in the Conference Health Insurance Plan at the time of death, at the request of the District Superintendent the Joint Board will pay from the Emergency Hardship Account the total church portion of the health insurance premiums in full of the current plan for three months and will pay 50% of the premiums for fifteen additional months for the surviving spouse and dependent children. Survivors may remain in the plan after the for up to 18 months at the full lay rate, if elected and paid by the survivors.
- 120.1.6 The Wisconsin Annual Conference will fund **retiree health insurance premiums** for participating pastors and lay employees of the Wisconsin Annual Conference who formally retired after December 31, 1998, based on years of service in the United Methodist or other Methodist denominations as outlined below. (Those who retired on or before December 31, 1998 will be treated as having at least 25 years of service.)
 - a. Beginning January 1, 2009, the Wisconsin Annual Conference will subsidize the Medicare Supplemental Health Insurance premium for 1) those clergy members of the Wisconsin Annual Conference and their spouses who were members prior to December 31, 2009, based on their years of service; and 2) Wisconsin Conference lay employees for whom the Wisconsin

- Conference was the salary paying unit and were employees prior to December 31, 2009, based on their years of service.
- b. Beginning January 1, 2010, the Wisconsin Conference will subsidize 55% of the Medicare Supplemental Health Insurance premium for eligible retirees and their spouses who are 65 years of age and older and the retiree entered the retired relationship with at least 25 years of service.

Action Item wc108: Proposed 2024 Conference Budget

Submitted by: Council on Finance and Administration and Sarah Sneider, Conference Treasurer

Conference Action:

2022 Preliminary Results and 2024 Proposed Budget

2022 Preliminary Results

2022 results are shown as Preliminary at this time as we are working on closing out a very eventful year which included the following:

- Disaffiliation process working with the Disaffiliation Coordinator to calculate estimates and answer questions from churches
- Storm Damage at Lake Lucerne, Pine Lake and at the Conference Center. All three are covered by our Church Mutual policies.
- Distribution of \$185,000 for Groat Grants approved by the Trustees
- Working with the Foundation and Board/Committee chairs to consolidate accounts and to use the funds available as the donors have intended.
- Working with our property manager to find renters for excess Conference Center space to increase rental income.
- Working with closed churches and the Board of Trustees to transition their assets and sell buildings. The funds from closed churches go into Foundation accounts to be used for new ministry.
- Working with Personnel and Cabinet to onboard new employees and new Cabinet members.
- And the normal we continued keeping an eye on the financial operations of the Conference including Apportionments, Payroll, Foundation funds, and the Group Health and Pension plans. Through it all, we have aimed to be a resource for our local churches and a stable financial base for our Conference operations.

The financial results for the year 2022 are positive.

- Financially, we are stable. We came through COVID with reserves due to receiving PPP Loan funds and we have used some of these as budgeted in 2022.
- Apportionments were budgeted at 77% and came in at 76%. Nearly 240 local churches paid 100% of their 2022 apportionments and have received their 2022 tag in recognition. We greatly appreciate the continued support and commitment of these churches.
- Earnings and growth from the Wisconsin United Methodist Foundation accounts continued to provide support to our budgets for many committees and programs including Cabinet, Personnel, New Ministry Strategy Board, Camping and Board of Ordained Ministries.
- Due to the committed Apportionment contributions of our churches, we paid 100% of the General Church Apportionments. Along with supporting the general church's Administration and the Episcopal Offices, these apportionments also support the World Service Fund, Ministerial Education, Interdenominational Cooperation, African University and the Black College Fund. These apportionments represent 27% of our total budget and are a strong sign of our connectional activity.
- In addition to local churches paying \$6 million in apportionments, they also contributed over \$1.6 million in special giving to 125 different programs, showing the wide range of support of our congregations to the programs that are significant to their members. This included \$337,000 for Direct UMCOR projects plus \$106,00 through UMCOR Sunday for their operations., \$18,000 for the Boy Scouts Restorative Healing, \$50,000 for UM Childrens Services, \$73,000 for World Hunger/Poverty, \$16,000 from the 2022 Annual Conference Ingathering and \$147,000 for US Disaster Response, to highlight a few.

- Proceeds from the sale of closed churches, net of costs, in the amount of \$555,000 was transferred to three Foundation accounts according to our Conference policy. These are short term New Ministry, Endowment for New Ministry and Trustees to maintain discontinued churches.
- One area of the budget that is higher than expected is in legal fees, relating to the Boy Scout issues and disaffiliation concerns.
- We thank all of the staff, committees, churches and clergy for their dedication during 2022 to keeping their
 own churches and the Conference stable and focused on our work. We appreciate the humor, patience and
 commitment that you provide.

2024 Proposed Budget

Preparing a budget with a significant number of unknowns still facing our denomination is challenging and will be for the coming years. There are many assumptions that have been used that will continue to be evaluated in the coming year.

We have decreased the gross apportionments to account for the loss of the disaffiliating churches. We have increased the percentage to collect to 82%. We are planning to use some of the disaffiliating apportionment funds to help in the 2024 budget. This is shown as a separate line on the budget for \$440,000.

The General Conference apportionment increased by nearly \$130,000. We have budgeted for 100% payment.

The Conference has 80 accounts invested with the Wisconsin United Methodist Foundation, with a market value of approximately \$15 million. Some are temporarily or permanently restricted and some are more like savings accounts for various committees. We have budgeted \$660,900 to be distributed from Foundation accounts for use in the 2024 budget.

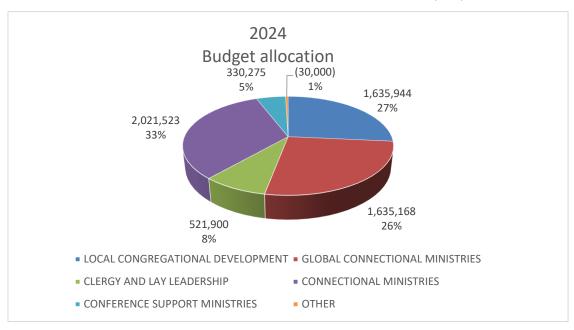

We have maintained our commitment levels to Northcott Neighborhood House, UM Children's Services, Harbor House Crisis Shelter and the Wisconsin Council of Churches.

Salaries and wages are set by formula for the District Superintendents and by the Personnel Committee. We have budgeted to decrease to 4 District Superintendents as of 6/30/24. Other staffing will remain the same. Benefits are set by the Joint Board with an estimated 10% increase in health insurance.

If you have any questions regarding the preliminary results for 2022 or the 2024 Proposed Budget, please e-mail me at ssneider@wisconsinumc.org.
