

IIA

North Jersey

Flex Pass Program

- The Flex Pass program is a bundle purchase of seminars sold in CPE increments
- A Flex Pass can be purchased in a bundle size of 56 hours for \$1,120
- Flex Passes are used in a credit format which makes it easier for companies to spend their credits (i.e. 2 people could attend an 8 credit seminar for 16 credits of usage)*
- Flex Pass credits expire 18 months from the date of purchase
- Every quarter, a reporting of the “used” Flex Passes will be sent to each account holder
- Flex Passes are only good for programs sponsored by the North Jersey Chapter of the IIA
- Most programs offered by the IIA NJ are eligible for Flex Pass usage
- All Flex Pass accounts are run on the "honor system", if individuals authorized by the account holder register for an event and cause the account to go in to arrears, the account holder agrees that they will make a new purchase of passes to bring the account up to date.
- Registration made with Flex Passes are held to the same cancellation policy as registrations being made with other forms of payment. The chapter's cancellation policy can be found on the chapter's website
- You must be a member of the IIA NJ Chapter to purchase Flex Passes
