RiskReporter

Risk Reporter

Our Risk Reporter newsletter provides tips and insights to help you recognize exposures and implement risk control solutions at your facility.

Self-Inspection Safety Checklists

Designed to help you prevent or reduce losses, our self-inspection safety checklists can be a valuable element of your total risk management program. The checklists are organized to correspond with common areas of concern, making them especially easy to use as you walk through your facility.

CM Sensor

Every year, Church Mutual® customers experience damage and disruption from water-related incidents, including frozen pipes. The CM Sensor® 24/7 temperature and water alert system can help you protect your organization and prevent time lost to cleanup, administrative headaches and rescheduling.

Church Mutual Now

From your Church Mutual Now® app, you can get a quote, file a claim, connect with customer service, or ask a risk or safety question — no matter what time of day! Create and manage your organization's upcoming events with the click of a button. You can also sign release waivers for your dependents, eliminating the hassle of lost or forgotten paperwork.
