NRTRC 2022 Telehealth Conference

Call for Abstracts for Oral and Poster Presentations

The Northwest Regional Telehealth Resource Center (NRTRC) seeks abstracts for oral and poster presentations for the 2022 NRTRC Telehealth conference. This event will be held in Salt Lake City, UT, September 26-28, 2022.

This year's conference theme is **Innovations in Telehealth.** The NRTRC is interested in presentations from organizations that have faced the challenges and developed successful telehealth programs. We are seeking presentations that align but are not limited to these eight topic categories:

1. **Clinical Telehealth Programs and Applications**
2. **Innovative Telehealth Models** (ie. hospital to home, Libraries as originating sites)
3. **Intersection of Artificial Intelligence & Telehealth**
4. **Telehealth and Diversity, Equity and Inclusion (DEI), and special populations** (Medically underserved, Rural, Tribal, Veterans, Immigrants and Refugees, economically disadvantaged, etc)
5. **Value-based Telehealth Models including Remote Patient Monitoring** (RPM) **& Remote Therapeutic Monitoring** (RTM)
6. **TeleBehavioral Health**
7. **Telehealth Quality Improvement, Research & Data Metrics**
8. **Patient and or Caregiver experiences via Telehealth**

Presenter Notes:

- If your abstract is accepted, **you will be notified by May 2, 2022 and you will have 2 weeks to formally accept.**
- Presentations should not be commercial in nature. Any abstract that appears to be promoting a company, product, or service will not be considered.
- If the speaker wishes to attend the full conference, they will need to register as a speaker at a discounted rate.
- For questions please email info@nrtrc.org
