Catering Guidelines

Banquet Agreement

All reservations and agreements are made upon and are subject to the guidelines of Gaylord Texan and the following conditions:

Function Rooms

Function rooms are assigned by the Hotel according to the guaranteed minimum number of guests anticipated. Increased room rental fees are applicable if group attendance drops below the estimated attendance at the time of booking. The Hotel reserves the right to change groups to a room more suitable at the Hotel's discretion for the attendance, with notification, if attendance increases or decreases.

Food and Beverage

Due to liability and legal restrictions, no outside food or beverages of any kind may be brought into the Hotel by the customer, guest or exhibitors. Gaylord Texan is the only licensed authority to sell and serve liquor for consumption on the premises. Texas law requires persons to be a minimum of 21 years of age to consume alcoholic beverages. Gaylord Texan reserves the right to refuse alcohol service to anyone. Gaylord Texan will supply cash bars on customer request. All drink prices will include tax and service charge. Each cash bar must incur a minimum of \$500 (inclusive). The customer will be responsible for the difference of actual sales, up to the \$500 per bar.

Tax

All federal, state and municipal taxes which may be imposed or applicable to this agreement and to the services rendered by the Hotel are in addition to the prices herein agreed upon and the patron agrees to pay for them separately.

Catering Fees

There is a 25% service charge and a 8.25% sales tax added to all food and beverage charges. The 25% service charge is taxable. All prices are quoted per person unless otherwise indicated. Bar prices are per drink unless otherwise indicated. To ensure food quality buffet pricing is based on 2 hours or less. Refreshment breaks are based on 30 minutes or less. Additional charges may incur for extending hours of service. A \$100 service charge will apply to all catered meal functions of less than 50 guests. Cooking and carving stations are subject to a \$200 fee per attendant/chef. Bartender and Cashier fees are \$200 (up to 3 hours) per bartender/cashier. Cashier charges will be applied to all cash bars and cash concessions. There will be a \$75 fee per attendant to collect tickets or check badges for event food functions as requested. Gaylord Texan reserves the right to charge set up fees for all non-meal events. A meal is defined as breakfast, lunch or dinner.

Pop-Up Fees

The Hotel reserves the right to add an \$85 fee to all "pop-up" requests. A "pop-up" is classified as an event that is requested for the Hotel (minimum 25 people) within 72 hours of the actual event.

Prices

The prices herein are subject to increase in the event costs of food, beverages, or other costs of operations increase at the time of the function. Customer grants the right to the Hotel to increase such prices or to make reasonable substitutions on the menu with prior written notice to the customer, providing, however, customer shall have the right to terminate this agreement within fourteen (14) days after such written notice from Gaylord Texan.

Food and Beverage Guarantee

Ten (10) working days prior to all food and beverage functions, the Hotel requires the customer to submit an expected number of guests for each scheduled event. The expected number of guests cannot be reduced by more than 10% at the time the Hotel receives the guarantee. The guaranteed number of guests for all food and beverage functions must be submitted to the catering department by 10:00 a.m., three (3) business days prior to the date of the function. If the guarantee is not received by the cutoff date/time, the Hotel will assume that the "expected" number of guests noted at the top of the banquet event order or the expected number of guests submitted to catering ten (10) working days prior to the event, is the guarantee. The guarantee becomes the minimum number of guests used in calculating food preparation. Should the actual number of guests in attendance of the event exceed the guarantee, the customer will be charged for that number of guests. On plated food and beverage functions, the Hotel will set seating for three percent (3%) over the guarantee for all group events with a maximum over set of fifty (50). Food will only be prepared for the guarantee, not the overset.
